

National Institute of Public Administration

MEMORANDUM

TO : All Students

FROM : Executive Director

DATE : 13th November, 2020

SUBJECT: **NIPA/ ZANACO OPERATIONALISE ONLINE PAYMENT PLATFORM**

Reference is made to the above captioned subject.

We are pleased to inform you that the Institute in collaboration with Zambia National Commercial Bank (ZANACO) have concluded works on launching and operationalising E-commerce payments.

This means that students and/or guardians who wish to make payments online for fees can now do so through a gateway (link) on the NIPA website (www.nipa.ac.zm) using credit or debit visa/master cards. Going forward, this will be done from the comfort of their own homes and/or offices.

The gateway is expected to be active effective 16th November, 2020 at midnight.

It is hoped that the E-commerce platform will not only ease payment procedures but tremendously reduce traffic to banks, thereby help reducing your exposure to the Covid-19 pandemic.

In case of any clarifications, please contact the **Accounts Helpdesk on 0762 334654 or email m.chilufya@nipa.ac.zm**.
